

A. R. B. Meeting 1-14-16
notes by Susan Tinkel

- Don Redford reports that he did a roof survey and letters have been sent to those who need their roofs cleaned.
- Discussion was held regarding structural changes of a home and getting input from the "neighbors" of that home.
 - A request for structural changes will be submitted to the ARB. This request will be voted on. This request will be made known to the affected neighbors via the Chairperson of the ARB. If problems are brought up by neighbors - this will be studied over to the General Manager - for further discussion with neighbors.
- Wendy presented new standards for Satellite Dish installation... sent to Bd. of Directors for approval.
- Other Property Standards are being evaluated.
