

Beautification Meeting - March 27, 2015

Present: Elaine Perrotta, Chairperson, Wendy Warren, Tish Tucker, Sondra Parmiter, Ruth Miller, John Fiore

Absent: Barb Ingersoll, Jane Shaw

We adopted a Mission Statement:

The goal of the Beautification Committee is to enhance and beautify the visual appearance of the Hunters Ridge Golf and Country Club Community. Initiatives will include landscaping as well as overseeing seasonal decorations of the common areas.

There is a budget of \$5,000 available Christmas decorations. Lighting the Palm trees past the entrance on the boulevard can be accomplished by installing electrical wires under the roadway. Ruth Miller has access to holisphere lighting at a price of 6 for \$25. These can illuminate a tree and can be used at Christmas and also special events. Ruth and Barb will pursue professional individuals for estimates on wrapping trees with lights.

Further discussion on beautification was on the roundabout on the boulevard by tennis courts. We agreed the plantings should be replaced and would like to see a change in the fountain

Further discussion was on the utility boxes in yards, and the need for architectural features/plantings on round about on Wild Coffee and Marsh Elder. It was agreed that we should utilize plantings with a tropical, look. Further conversation ensued regarding possible up lighting.

Please note, the next meeting day has changed due to a golf event. It will now take place, **Thursday, April 23, at 3:00** in the dining room. Please advise Elaine if you cannot be present.
