

Beautification Committee Meeting April 19, 2018

First meeting for 2018

Present: Don Huprich, Elaine Perrotta, Joyce Zimmer, Lorrie Holly, Gail Gray
Karen Lazar, Tish Tucker, Rosemarie DeCoste
Unavailable: Diane Simon, Wendy Warren, Diane Bell

This was our first meeting in 2018. Don gave us an update on post-Irma damage. He said we were not only trying to get caught up but are getting prepared for the summer weather ahead. We were fortunate not to sustain major building damage with Irma. At this time, south villas are getting roof repairs and repaving of south tract roads will begin the week of April 23.

A concern is once the roads are paved, some of the single family home concrete drive ways will not look very good. We are in hopes that owners will consider pavers. It was suggested they be given an incentive by offering a lower price; something that perhaps could be worked out with paving company for short period of time.

There is still concern regarding too many contractors entering HR, and we would like to limit to fewer.

Future projects: Area directly abutting the front of guard house needs attention as well as the Hunters Ridge signs on either side, focusing on first impressions. Please think of other things to do to improve our common area landscaping and report at next meeting.

Christmas tree lighting date - Friday, November 23.

We need to think of ways to improve this event regarding the singing. Be prepared to offer suggestions at next meeting.

A new idea was suggested for that evening: Have a cart parade preceding Santa Claus. Members will be encouraged to decorate their golf carts. Tish, Joyce and Diane will work on this and present it at the next meeting.

Next (tentative) meeting - **SEPTEMBER 19, 4:00.**
