

HR Safety Committee Meeting – March 15, 2018  
MINUTES

Committee members:

Attending: Nancy Sido, Sandy Crossfield, Des Leen, Jo Anne Lewis, Bob Walters

Absent: Joanne Schoen

1. Reviewed 2/26/18 meeting by Nancy and Joanne with Don Huprich
  - 2017 Safety Committee proposal for additional STOP signs was not approved; city approval needed, and they didn't approve, citing history shows no positive results in stopping speeders.
  - Focus on speed tables and blind curves in community with safety as our goal.
2. Speed tables
  - Reviewed Des' 2017 committee analysis on traffic flows, peak times, worst locations in HR.
  - Determined locations of first 3 speed tables based on that analysis.
  - To review additional locations after assessing impact of first three.
3. Blind curves
  - Determined locations with major shrub/tree blind spots for trimming.
4. Open discussion, including:
  - CPR retraining every 2 years for HR staff.
  - Visitor Card handout by gate guards to vendors/guests with speed limit and neighborhood safety points.
  - Paint lines on crosswalk.
  - Check if gate cameras are working.
  - Automate main gate entry arms to prevent both visitor and resident gates from opening simultaneously.
