

Safety Committee Meeting 3/15/19 Minutes

Attending: Sandy Crossfield, Virginia Cullison, Jo Anne Lewis, Nancy Sido, Joanne Schoen, Chris Durfey, Don Huprich
Absent: Bob Walters

Speed tables review:

- speed tables and cart path bumps have been effective and well received.
- additional speed tables will be considered pending adjacent construction, and traffic flows.

Front entry update:

- quality construction to continue on both sides of HR Blvd outside our main gate entry.
- left turn ability, northbound from HR Blvd, will be closed.
- an additional traffic light will be installed on Bonita Beach Rd between HR Blvd and Bonita Grande.
- traffic flows to our back gate will be observed for entry improvements.

Golf carts:

- safety reminders will continue, especially re liability with children/guests driving your cart.
- a new Cart Registration Form will be signed annually, with current certificate of liability insurance, to receive annual sticker.
- both golf and social stickers will change color annually.

Other:

- additional street lights and reflectors will be installed on the north track of Fox Ridge Dr.
- sidewalk along HR Blvd will be power washed to avoid slippery conditions when wet.
- street striping will be painted on curves to help separate traffic.
- age reminders on Jacuzzi usage will be communicated in ScoreCard.
- next meeting probably in October for updates on these topics.
