

Tennis Committee Meeting was held on May 13th, 2014 at 2:00pm

In attendance: Vern Alexander, Paula Ferrone, Donna Silva Miller

Reviewed and Discussed non resident participation policy. Discussed the current policy: During any regular play, at least 1 member must be actively playing on each court. Discussed amending the above policy during the *off season* (May 15-Sept 15) to: There must be at least 1 playing member present to host outside players on more than one court.

Discussed allowing League Play 12 pm-2 pm Monday through Friday and charging outside players a nominal per person fee (TBD): There must be at least 1 playing member present to host League players on more than one court.

Comments were made that the white board in front of the tennis courts is not an effective way to reserve courts and was not working.

Paula suggested trying "Reserve My Court" reservemycourt.com, a free online scheduling service that would allow members to either book courts on line or call for availability. Discussion went back and forth of pros and cons. Paula offered to give a demonstration of how this service works at the next meeting. The system could allow scheduling 30 days in advance and could limit any one individual to no more than 3 scheduled courts per week or whatever parameters the committee agrees to. We are requesting a one month trial period this fall to see how it works.

Discussed posting the Rules and Regulations for the use of the tennis courts in the white board area and limiting Herbert Wormser's business advertisements to the Hunters Ridge Guide of Business Services Pamphlet available to the community. The question came up if Mr. Wormser is using our courts for lessons other than for Hunters Ridge residents?

We discussed possible ways the "Rules" might be enforced.

Gate house protocol was discussed. Vern spoke to Loren who requests a master sheet and would like to be called on a daily basis with names of outside play participants.

Court maintenance: requesting better brushes and line rollers.....seems only one roller is working properly. Sprinkler system was discussed as well.

Discussed the need for more than 3 people on the committee. We would like at least 5 members and need to advertise for volunteers (perhaps in Scorecard).

Next meeting was tentatively scheduled for Monday 9/22/14 @ 2:00pm

Meeting was adjourned at 3:10 pm.
