

Tennis Committee Meeting was held on April 4th at 4:00 pm.

In attendance: Bob Moe, Susan Tinkel, Vern Alexander, Holly Hearity, Donna Silva Miller

Discussed formulating Mission Statement (see attached)

Discussed charging for outside play and again committee decided that it is not needed at this time.

There is not enough competition at different levels in the community and we need the outside play.

That being said....there will always be one member per court at all times.

Holly Hearity mentioned the possibility of hosting a USTA women's tennis team next season. This would be every other week with a flexible time and would involve 3 courts. Committee has taken this under advisement.

Vern Alexander suggested adding new foot washers and a wind flag. We will ask Don Huprich to look into.

The up keep and condition of the courts were discussed in great detail and Holly shared with the committee some research she did concerning a scarifying process. She will put in writing in more detail and we will forward to Don Huprich to review and advice.

Also, discussed workers trimming and blowing near the courts, when they are in use. Come to find out that the workers are AWARE that they are NOT to work in the area when they see the courts being used. If this happens, the time and day should be reported to a committee member. Tony has no way of monitoring if he is unaware.

The next meeting will be held on May 1st at 4:00pm
