Update the community for curb appeal: Continued discussion

1. Mailboxes – Pictures of other communities shared
2. People encouraged to cut back on landscaping near corners and curves. Hunters Ridge owns up to 10 feet from gutter.
3. Limit lawn ornaments and pots (safety reasons)
4. Continue to surface roads

Members agree to do some cost research on the above

Will meet again on April 17, 2014 at 3:00 PM
