Update the community for curb appeal:

1. Mailboxes
  - a. New post - possible 2 per post
  - b. Uniform name plates
2. Easy to read street signs
3. Clean curbs
4. Limit lawn ornaments and pots (especially plastic)
5. Keep landscaping to a minimum on corners and curves  
(safety reasons)
6. Clean mildew on driveways
7. Keep landscaping trimmed and weeded
8. Pavers suggested for villas and home owners (group rate)
9. Continue to seal coat roads

Members agree to do some research on the above
