

Tennis Committee Minutes held on February 16, 2015 1:45 pm

In attendance: Vern Alexander, Paula Ferrone, Sue Burke, Donna Silva Miller and Peg Long.

Peg Long volunteered to be Tennis Committee Chair

We finalized the Hunters Ridge Tennis Rules and Etiquette sheet. Peg Long will send to committee for final comment and then forward to Bob Moe to then forward to Board for approval and posting on board at courts and website.

The reservation system as it stands now was reviewed and it was agreed that it was working OK. Not ideal, certainly, but for now it will stand. We will revisit the use of Hunters Ridge employees to enter and track reservations and an electronic system at a later date.

Peg to request new line brushes and a big brush to sweep courts, and to move the ball trays to the inside poles. Also check the benches to verify they are still structurally sound.

It was agreed that Herbert Wormser would be able to put up his contact information as our nonresident professional. Peg checked with Chris Durfey and Rob Harpster to ascertain that there is no policy prohibiting this. But on further review of the minutes of Tennis Committee meeting on May 13, 2014, it was discussed that his name be limited to the Guide of Business Services pamphlet. Peg Long to give his name to Chris Durfey upon approval of the Feb 16, 2015 minutes.

We put together a comment sheet using Vern's points regarding why outside guests should not be charged to play tennis at Hunters Ridge. Peg to type up and distribute to committee only.

Meeting adjourned at 3:15 pm

Next Committee meeting – Monday, March 2 @ 6:30 pm in the Activity Center.
