

**USGA RULES GOVERN ALL PLAY

Any red stakes with green tops represent a No Entry Preserve Area. Any player who hits a ball from a No Entry Preserve Area shall be penalized 2 strokes. If a ball lies outside the No Entry Preserve Area, but you must stand in the preserve, you may take free relief, one club length no closer to the hole.
2. Out of bounds is defined by white stakes. O.B. on Holes #1, #2, #3 & #16 are defined by the fence. O.B. on Holes #4, #9, #15 & #16 are defined by the inside edge of the paved road.
3. Coquina areas are played as natural areas. Free Relief from Seasonal Flowers outside the hazard.
4. The pump station and surrounding vegetation on Hole #17 is considered an immovable obstruction. Please use the drop area for relief. Drop area is only to be used for relief from pump station, not the lateral water hazard.
